

YOUR DONATIONS AT WORK! 2005-2009

ACADEMIC RESOURCES

- Hired additional Faculty including 6 Paraprofessionals, 1 Learning Specialist, 1 Math Specialist and 2 Physical Education Teachers
- Expanded our Media Centers to include over 10,000 books and 30 subscriptions
- Enhanced the scope and sequence of the Science curriculum through the purchase of experiment kits, lab supplies, models, etc.
- Enriched our Music offerings in both instrumental and choral music through the acquisition of a piano, Orff Instruments, and music sheets, through generous Naming Opportunities
- Broadened our Art Program to include resources and supplies for photography, ceramics, drawing, and painting classes
- Augmented our Fit for Life PE Program with new and Gift-in-Kind sports equipment
- Developed a multi-level visual learning program with web-based subscriptions and software

TECHNOLOGY

- 179 computers for both campuses including:
 - 31 through donations to the IBM Matching Grants Program
 - 25 Partner in Technology classroom computer centers through naming opportunities, of which 6 centers were pooled to create a Middle School Computer Lab
- 25 SMART Boards through naming opportunities
- Updated software

THOUSANDS OF HOURS OF PROFESSIONAL DEVELOPMENT
